

Daniell Middle School

community tradition. community pride.

MISSION

At Daniell Middle School we embrace diversity, set high expectations, and develop life-long learners prepared to accept responsibility as future leaders. We are prepared to work collaboratively with colleagues, students, and parents to make our vision a reality.

VISION

Our vision is to create a safe, collaborative environment that results in students successfully meeting high standards, respecting differences, and initiating creative problem solving to establish a foundation for high school success.

BELIEFS

At Daniell Middle School we believe there is evidence of:

- Students learning to their full potential
- Students actively participating in their learning
- Students demonstrating responsibility by constructively resolving conflicts
 - Students developing technology skills
- Students participating in a variety of learning experiences that promote high expectations through varied instructional strategies
 - Students developing problem-solving skills
 - Students thriving in a safe environment, and
- Students, teachers, administrators, parents, and the community working together collaboratively.
