# 2019 – 2020 7th Grade Supply List

In order to assist students with materials and organization, 7th grade has made a master list of what every student will need as personal supplies as well as what will be needed in specific contents. If your student has a mixture of Advanced Content and On Level Classes, please make the best choice for your student or discuss with the teacher at Meet and Greet. Friendly reminder, as your student’s supplies become low throughout the year, it is best to replenish them as needed.

If you need assistance, please contact your student’s homeroom teacher! We are here to help as best as we can!
